**Re: *Primed Pharmaceuticals, LLC v. Starr Indemnity & Liability Company*
21-cv-1025 (PGG)(SLC)**

This firm represents Primed Pharmaceuticals, LLC (“Primed”). We submit this letter with counsel for Defendant Starr Indemnity & Liability Company’s (hereinafter “Starr”).

On September 9, 2021, the Court issued an Order requiring the parties to file a joint letter “either certifying that discovery is complete, or setting forth the additional discovery, if any, that any party believes is necessary before moving on to dispositive motions, or requesting a conference to resolve any remaining discovery issues.” Dkt. No. 40 The parties now jointly request that the date for said letter be extended until October 6, 2021.

No previous extension of this date has been requested or granted. We respectfully submit that good cause exists for this extension since counsel are still talking and trying to resolve outstanding issues. We are unable to conclude our discussions and meet the current deadline due to the Jewish holidays.

The parties' letter-motion requesting an extension to file their joint status report concerning the status of discovery (ECF No. 41) is GRANTED, and the parties shall file the joint status report by **Wednesday, October 6, 2021**.

The Clerk of Court is respectfully directed to close ECF No. 41.

SO ORDERED 9/30/2021

Respectfully submitted,
STERN & SCHURIN LLP
